WHAT MAKES US UNIQUE?

Makan Dulu was opened in 2020 and is the training restaurant for 12 students of the Sumba Hospitality School. Along with the hotel Maringi Sumba, the projects are part of the Sumba Hospitality Foundation. This non-profit was established in 2016 by Inge De Lathauwer and has since provided more than 400 Sumbanese youth with high-quality vocational training in the hospitality industry.

By putting theory into practise, the students are prepared to start their new lives in 5-star hotels and restaurants around the world.

All income from the restaurant is reinvested in the foundation to ensure its continued existence. Thank you for supporting our mission.

Selamat makan!
